Dear Sir/Madam,

Re: Application for the Post of IT Executive or Any IT Related Position

Regarding the matter mentioned above, I am interested and would like to apply for the post of IT_Executive or Any IT Related Position in your organization. I have been seeking for the job opportunity and I believe my background and experiences and your requirement may be a good equivalent.

I am currently working with Iskandar Investment Berhad for more than 7 years as IT Executive for application system. I have involved in several application projects as project manager and assisting in ICT system requirements. I am responsible in managing and coordinating in various system applications such as HR system, Financial & Procurement system, Land Management system and Hostel Management system including the enhancement of each system. I have also involved in development from gather user requirements, system work flow, procurement process, system development process until user acceptance test for new system/enhancement implemented.

Previously, I have worked as a web master/designer for more than 2 years and as security analyst for 2 months at SCAN Associates Berhad. Plus, I have worked with UKM Medical Molecular Biology Institute (UMBI) as Information System Officer (Temporary Contract).

I have been employed as a part-time lab demonstrator for the subject of Introduction to Programming using C++ in University Malaysia Sarawak for the two semesters, Subject Data Structure and Algorithm, Web Based System Development and IT Tools for Knowledge Workers for one semester, while studying there on an information system course. I have involved in the development of a Change Tracking System (CTS) project which is a web-based application system while in training. I managed to complete the system on time. I believe that I can learn more and get more experiences with your organization.

My resume is enclosed for your review. I would appreciate the chance to meet with you to discuss how I could be a vital part of your operation. You may reach me at the enclosed telephone number or e-mail address.

Thank you for your consideration. I am looking forward to hearing from you.

Sincerely,
Khairul Rodhiah Yusof
